The city will minimize credit risk, which is the risk of loss due to the failure of the investment issuer or backer, by limiting the portfolio to the types of investments listed in section 5. Authorized and Suitable Investments of this policy and diversifying the investment portfolio to diminish the impact of potential losses from any one type of investment or from any one individual issuer.

2. Custodial Credit Risk

The city will minimize Custodial Credit Risk for deposits, which is the risk that in the event of the failure of a depository financial institution the deposits or collateral securities that are in the possession of an outside party would not be able to be recovered, as addressed in section 6. Collateralization.
